

Join the MySP Virtual Community Today!

Through various workforce development/education initiatives, UNCFSP works to ensure that highly-qualified individuals are connected and gain access to *experience, exposure, mentorship, and development* opportunities that enhance their academic and professional careers. These opportunities include employment, internships, fellowships, volunteer positions, events, trainings, talent showcasing, business collaborations and consortia. We facilitate these *connections* through the “**MySP**” **Virtual Community** (www.uncfsp.org/register).

The MySP community is designed to provide its diverse members access to current and relevant workforce development/education information. They also have the opportunity to engage other community members, initiate group discussions, and influence corporate directives through innovative thought-leadership.

We invite you to become a part of the MySP community! Register and set-up a profile at: <http://www.uncfsp.org/register>.

Follow us online at:

Facebook.com/uncfsp

LinkedIn.com/uncfsp

Twitter.com/uncfsp

If you have questions about the **MySP** system or any of our other corporate activities, contact us at: **1-800-231-9155** or via email at: info@uncfsp.org.

Never Miss an Opportunity

REGISTER NOW!

www.uncfsp.org/register

UNCF Special Programs Corporation MySP Virtual Community

Visit: www.uncfsp.org/register to get started! You will be prompted to register as a “New User” (one who has never registered in the system as an applicant, reviewer, event participant, etc.) or an “Existing User.” In order to proceed as an Existing User, you must enter the same email and password you used when originally registering; if you have forgotten your password, it can be reset through the system. If you do not remember the original email address or password, you will need to register as a New User.

Once you have logged-in, the system will take you to the Personal Profile page to enter relevant information (i.e. personal information, resume upload, education, etc) for your profile. This information will also be used to qualify you for opportunities that become available (i.e. internships, fellowships, jobs, events, etc.), so make sure to update it regularly.

Once you have entered your Profile information (including an uploaded resume and recent transcript), you will have access to all of the available features in the community. A description of available features will be provided upon registration.
